500
SERIES

STYLISH • CONTEMPORARY • CONVENIENT

Premium, revolutionary design

The Pure Water Dispenser® 500 Series offers smooth, sleek appliance styling with advanced design features that make it simple to operate and easy to maintain. With the bottom-loading 500 Series' advanced ergonomic design, you simply slip a full water bottle into position with little effort and no heavy lifting. And the flashing LED signal light lets you know when the water bottle is almost empty. Plus, the spacious dispensing area and fast-flow hot and cold electric dispensing quickly fill coffee pots, water bottles, pet bowls and everything in between! Simple to install and easy to operate, the revolutionary 500 Series water dispenser includes a 1-year limited manufacturer's warranty.

Advanced, versatile features

- Modern appliance styling with faux brushed stainless-steel accents; complements any décor
